Activities Covered - Sanctioned or authorized activities, and events such as games, practices, tournaments, training, clinics, seminars, tours, fundraisers, etc. within your sport discipline. Sports Liability Insurance

Why Liability Insurance?

Because no matter how careful you are, accidents happen, and you can be sued by anyone who claims injury or damages resulting from your activities. You may not be liable, but you will need to be defended in court. A liability policy will pay for this defense as well as any costs awarded against you. In short, liability insurance gives you peace of mind.

The policy will pay those sums that the insured becomes legally obligated to pay as compensatory damages because of bodily injury to or damage to property of others such as participants, spectators, property of lessors, and others resulting from your operations only. Coverage includes your participants' liability.

The following are the limits provided under the policy:

- \$5,000,000 each occurrence; and
- \$50,000 deductible.

Including the following extensions:

- Premises, property, and operations;
- Products and completed operations;
- Blanket contractual;
- Personal injury (libel and slander);
- Employees, members, and volunteers as additional insureds;
- Cross liability;
- Non-owned automobile; and
- Tenants legal liability - \$5,000,000.

Sexual Abuse/Harassment

This coverage has been included in your liability policy and provides protection for members who become legally obligated to pay damages and supplementary payments because of bodily injury or personal injury arising out of accounts of, resulting from or relating to any actual or threatened abuse.

- \$1,000,000 claims made limit; and
- \$50,000 deductible.

Directors and Officers Insurance

Directors and officers (D&O) may be sued for actual or alleged errors or omissions while performing their duties as officials of the organization. D&O insurance will pay those sums the organization, directors and officers, become legally obligated to pay as compensatory damages because of a wrongful act.

- Limit - \$5,000,000
- Retention - \$1,000
- Including Employment Practices Liability
